

Paper Collator EC-4400

Features

The EC-4400 is an electrically controlled Table Top Collator with a Crises-Cross paper receiving system. It is ergonomically designed to be used efficiently in all offices, additionally it features automatic adjustments of the paper feed table. EC4400 is smaller in size but big in features.

- ◆ Automatic checking for Paper Jam, Paper Mis-Feed, Paper Supply, Paper Level in the receiving tray.
- ◆ Specially designed smooth friction feed rollers and automatic pressure sensing system adjusts the EC-4400 paper feed pressure to accommodate the thickness and quality of paper.
- ◆ All the functions are clearly displayed on the operation panel.

Specifications

SUPERFAX Collator Model EC-4400

SPECIFICATIONS

Number of stations	8
